The *Guardian* is an annual publication, and in this, our 8th year, we are proud to announce the premiere of our additional featured

companion piece—**ART'S**—celebrating Maui's finest artists.

By participating in the *Guardian* you are contributing to your own success and to the vision of an island life that protects and celebrates the wonder, magic and enchantment of Hawaii.

"Every page of the Guardian is a well-composed symphony of words, color and form."

Gratefully,  
Patrick Mellan
